Client: DEPESCHE VERTRIEB GMBH & CO. KG
Contact Information: Vierlander Strasse 14, 21502 Geesthacht, Germany
Test item(s): Non toys
**Identification/
Model No(s):** TOPModel Lipgloss Sweet Heart BEAUTY and ME
Item no.: 0012806, 0412806
Order no.: 12806/A
Sample obtaining method: Sending by customer
Condition at delivery: Test item complete and undamaged.
Sample Receiving date: 2023-08-28, 2023-10-19
Testing Period: 2023-09-22 to 2023-10-25
Place of testing: Chemical laboratory Hong Kong, Toys laboratory Hong Kong
Test Specification:

Please refer to "Test Result Summary List" on page 2 for details

Other information:

The provided age grade of the item(s) : Not Provided
The appropriate age grade of the item(s) : Not Requested (by client)
As per client request, the item(s) was/ were tested for the age of over 3 years.

Packaging provided: Yes

The selection of the tested materials and parameters is based on testing experience according to the principles of proportionally considering technological probabilities. The analyses are focused on expected harmful substances caused by nature of materials and production conditions.

Swiss requirements for cadmium content according to the Switzerland Chemikalien-Risikoreduktions-Verordnung- ChemRRV, 814.81

- Mixtures and articles produced from plastic material < 0.01 % (100 mg/kg)
- Articles / objects treated with paints / coating with cadmium is prohibited
- Paints and varnishes < 0.01 % (100 mg/kg)

- ** Requirements for Lead content according to Annex XVII Entry 63 of Regulation (EC) No. 1907/2006 (REACH) and its amendments:
- Jewellery, imitation jewellery, hair accessories, bracelets, necklaces, rings, piercing jewellery, wrist watches, wrist-wear, brooches and cufflinks and parts used for jewellery-making < 0.05%
 - Articles supplied to the general public during normal or reasonably foreseeable conditions of use, be placed in the mouth by children < 0.05%. The limit shall not apply where it can be demonstrated that the rate of lead release from such an article or any such accessible part of an article, whether coated or uncoated, does not exceed 0,05 µg/cm² per hour (equivalent to 0,05 µg/g/h), and, for coated articles, that the coating is sufficient to ensure that this release rate is not exceeded for a period of at least two years of normal or reasonably foreseeable conditions of use of the article.

General Terms and Conditions of Business of TÜV Rheinland in Greater China

1. **Scope**
 - 1.1 These General Terms and Conditions of Business of TÜV Rheinland in Greater China ("GTBC") is made between the client and one or more member entities of TÜV Rheinland in Greater China as applicable as the case may be ("TÜV Rheinland"). The Greater China here refers to Mainland China, Hong Kong and Taiwan. The client hereof includes:
 - (a) a natural person engaged in legal or commercial activities under the applicable laws who concludes the contract not for the purpose of a daily use;
 - (b) the incorporated or unincorporated entity duly organized, validly existing and capable to form legally binding contracts under the applicable law.
 - 1.2 The following terms and conditions apply to agreed services including consultancy services, information, deliveries and similar services as well as ancillary services and other secondary obligations provided within the scope of contract performance.
 - 1.3 Any standard terms and conditions of the client of any nature shall not apply and shall hereby be expressly excluded. No other contractual terms and conditions of the client shall form part of the contract even if TÜV Rheinland does not explicitly object to them.
 - 1.4 In the event of an ongoing business relationship with the client, this GTBC shall also apply to future contracts with the client without TÜV Rheinland having to refer to them separately in each individual case.
2. **Quotations**
 - 2.1 Unless otherwise agreed, all quotations submitted by TÜV Rheinland can be changed by TÜV Rheinland without notice prior to its acceptance and confirmation by the other party.
3. **Coming into effect and duration of contracts**
 - 3.1 The contract shall come into effect for the agreed terms upon the quotation letter of TÜV Rheinland or a separate contractual document being signed by both contracting parties, or upon the request by the client being carried out by TÜV Rheinland. If the client instructs TÜV Rheinland without receiving a quotation from TÜV Rheinland to proceed with the contract, it is its sole discretion, entitled to accept the order by giving written notice of such acceptance (including notice sent via electronic means) or by performing the requested services.
 - 3.2 The contract term starts upon the coming into effect of the contract in accordance with article 3.1 and shall continue for the term agreed in the contract.
 - 3.3 If the contract provides for a fixed term contract, the contract term will be extended by the term provided for in the contract unless terminated in writing by either party with a three-month notice prior to the end of the contractual term.
4. **Scope of services**
 - 4.1 The scope and type of the services to be provided by TÜV Rheinland shall be specified in the contractually agreed service scope of TÜV Rheinland by both parties. If no such separate service scope of TÜV Rheinland exists, then the written contract or order by TÜV Rheinland shall be decisive for the service to be provided. Unless otherwise agreed, services beyond the scope of the service description (e.g. checking the correctness and functionality of parts, process, process, and installation, organizations not listed in the service description, as well as the intended use and application of such) are not covered. In particular, no responsibility is assumed for the design, selection of materials, construction and use of an examined part, product, process or plant, unless this is expressly stated in the order.
 - 4.2 The agreed services shall be performed in compliance with the regulations in force at the time the contract is entered into.
 - 4.3 TÜV Rheinland is entitled to determine, in its sole discretion, the method and nature of the assessment unless otherwise agreed in writing or if mandatory provisions require a specific procedure to be followed.
 - 4.4 On execution of the work there shall be no simultaneous assumption of any guarantee of the correctness (regarding quality and working order) of either tested or examined parts nor of the installation as a whole and its upstream and/or downstream processes, organizations, use and application with regulations, nor of the systems on which the installation is based. In particular, TÜV Rheinland shall assume no responsibility for the construction, selection of materials and assembly of installations examined, nor for their use and application in accordance with regulations, unless these questions are expressly covered by the contract.
 - 4.5 In the case of inspection work, TÜV Rheinland shall not be responsible for the accuracy or checking of the safety regulations and/or safety requirements for the agreed service scope unless otherwise expressly agreed in writing.
 - 4.6 If mandatory legal regulations and standards or official requirements for the agreed service scope affect construction, TÜV Rheinland shall be responsible for the construction, selection of materials and assembly of installations examined, nor for their use and application in accordance with regulations, unless these questions are expressly covered by the contract.
 - 4.7 The services to be provided by TÜV Rheinland under the contract are agreed exclusively with the client. A contracting of third parties with the services of TÜV Rheinland, as well as making available of a justifying confidence in the work results (test reports, result reports, expert reports, etc.) is not part of the agreed services and shall be excluded. The client shall not be held liable for extracts to third parties in accordance with clause 11.4.
 - 4.8 The client understands and agrees that in order to perform the contract with TÜV Rheinland, the client may need to sign or enter into contracts or agreements with a third party(ies) and establish legal relationships with that/those third party(ies) according to such contractual agreements. TÜV Rheinland shall not be responsible for the construction, selection of materials to this contract and the direct services actually to be provided by our company in the service process. If the relevant services are not directly provided by TÜV Rheinland (including but not limited to any testing and/or inspection work, or safety requirements for the agreed service scope (bodies)), TÜV Rheinland will provide the client as agent for such relevant services. In order to achieve the purpose of the contract, the client hereby agrees that TÜV Rheinland can also subcontract to a third party(ies) and/or subcontract to a third party(ies) the agreed services and its responsibility and/or risk for any services to be provided by any third parties (including but not limited to the testing and/or certification services to be entrusted and/or applied for by our company on behalf of the client for third testing and/or certification bodies or agency services provided by any other third party(ies)). Besides, the client shall be liable in accordance with the relevant laws and regulations actually in force at the time of the contract for the construction of any annual review/surveillance of the relevant testing and/or certification service results and pay additional fees in accordance with the relevant laws and regulations or the testing and certification rules, such as not in the case of the contract. The client shall be responsible for the obligation of such annual review/surveillance and pay the corresponding fees. If the client fails to perform such obligations of the annual review/surveillance or fees payment, it may lead to adverse consequences such as suspension/revocation of the client's approval or other consequences, which shall not be borne by TÜV Rheinland.
 - 4.9 For the service contracts, if the client requires TÜV Rheinland to deliver relevant test samples, data, etc. to any overseas laboratory or other places or sites to be designated by the client, TÜV Rheinland shall not take any responsibilities or risks for any problems during such delivery and the transportation of such test samples and/or materials, etc. in relation to the test samples and/or the materials, etc.). Besides, the relevant freight fees shall be borne by the client.
5. **Performance periods/dates**
 - 5.1 The contractually agreed periods/dates of performance are based on estimates of the work involved which are prepared in line with the details provided by the client. They shall only be binding if being confirmed as binding by TÜV Rheinland in writing.
 - 5.2 If binding periods of performance have been agreed, these periods shall not commence until the client has submitted all required documents to TÜV Rheinland.
 - 5.3 Articles 5.1 and 5.2 also apply, even without express agreement by the client, to all extensions of agreed periods of performance which are not caused by TÜV Rheinland.
 - 5.4 TÜV Rheinland is not responsible for a delay in performance, in particular if the client has not fulfilled his duties to cooperate in accordance with the contract. In particular, if the client has not provided TÜV Rheinland with all documents and information required for the performance of the service as specified in the contract.
 - 5.5 If the performance of the contract is delayed due to unforeseeable circumstances such as force majeure, strikes, business disruptions, governmental regulations, transport obstacles, etc., TÜV Rheinland is entitled to postpone performance for a reasonable period of time which corresponds at least to the duration of the hindrance plus any time period which may be required to resume performance.
 - 5.6 If the client is obliged to comply with legal, officially prescribed and/or by the accreditor prescribed deadlines, it is the client's responsibility to agree on performance dates with TÜV Rheinland, which enables the client to comply with the legal and/or officially prescribed deadlines. TÜV Rheinland assumes no responsibility in this respect unless TÜV Rheinland has been explicitly asked to writing specifically stating that ensuring the deadlines is the contractual obligation of TÜV Rheinland.
6. **The client's obligation to cooperate**
 - 6.1 The client shall guarantee that all cooperation required on his part, its agents or third parties will be provided in good time and at no cost to TÜV Rheinland.
 - 6.2 Design documents, supplies, auxiliary staff, etc. necessary for performance of the services shall be made available free of charge by the client. Moreover, collaborative action of the client must be undertaken in accordance with legal provisions, standards, safety regulations and accident prevention instructions. And the client represents and warrants that:
 - a) it has required statutory qualifications;
 - b) the product, service or management system to be certified complies with applicable laws and regulations; and
 - c) it doesn't have any illegal and dishonest behaviors or is not included in the list of Enterprises with Serious Illegal and Dishonest Acts of People's Republic of China.
 If the client breaches the aforesaid representations and warranties, TÜV Rheinland is entitled to i) immediately terminate the contract without prior notice, and ii) withdraw the issued testing/recertification certificates if any.
 - 6.3 The client shall bear any additional cost incurred on account of work having to be redone or being delayed as a result of late, incorrect or incomplete information provided by the client or lack of cooperation from the client. Even where a fixed or maximum price is agreed, TÜV Rheinland shall be entitled to charge extra fees for such additional expense.
7. **Prices**
 - 7.1 If the scope of performance is not laid down in writing when the order is placed, invoicing shall be based on costs plus margin. In the case of a written, invoicing shall be made in accordance with the price list of TÜV Rheinland valid at the time of performance.
 - 7.2 If the execution of the work is delayed or interrupted by the client, the contract or the agreed fixed price exceeds €2,500.00 or equivalent value in local currency, TÜV Rheinland shall be entitled to demand appropriate advance payments.
8. **Payment terms**
 - 8.1 All invoice amounts shall be due for payment within 30 days of the invoice date without deduction on receipt of the invoice. No discounts and rebates shall be granted.
 - 8.2 Payments shall be made to the bank account of TÜV Rheinland as indicated on the invoice, stating the invoice and client numbers.
 - 8.3 In cases of default of payment, TÜV Rheinland shall be entitled to claim default interest at the applicable short-term loan interest rate publicly announced by a reputable commercial bank in the country where TÜV Rheinland is located. At the same time, TÜV Rheinland reserves the right to claim further damages.
 - 8.4 Should the client default in payment of the invoice despite being granted a reasonable grace period, TÜV Rheinland shall be entitled to cancel the contract, withdraw the returned, claim damages for non-performance and refuse to continue and/or to perform the contract.
 - 8.5 The provisions set forth in article 8.4 shall also apply in cases involving certified, clean, cessation of payment, commencement of insolvency proceedings against the client's assets or cases in which the commencement of insolvency proceedings has been dispensed due to proper objections to the invoices of TÜV Rheinland shall be submitted in writing within two weeks of receipt of the invoice.
 - 8.7 TÜV Rheinland shall be entitled to demand appropriate advance payments.
- 8.8 TÜV Rheinland shall be entitled to raise its fees at the beginning of a month if overheads and/or purchase costs have increased. In this case, the client shall notify the client in writing of the rise in fees. This notification shall be issued one month prior to the date on which the rise in fees shall come into effect (period of notice changes in fees). If the rise in fees remains under 5% per contractual year, the client shall not have the right to object. If the rise in fees exceeds 5% per contractual year, the client shall be entitled to terminate the contract by the end of the contractual year. The client shall not be entitled to demand a refund of fees shall be deemed to have been agreed upon by the time of the expiry of the notice period.
- 8.9 Only legally established and undisputed claims may be offset against claims by TÜV Rheinland. TÜV Rheinland shall have the right at all times to setoff any amount due or payable by the client, together with the interest thereon, against any claim by the client under any contracts, agreement and/or orders/quotations reached with TÜV Rheinland.
9. **Acceptance of work**
 - 9.1 Any part of the work result ordered which is complete in itself may be presented by TÜV Rheinland for acceptance as an instalment. The client shall be obliged to accept it immediately.
 - 9.2 If acceptance is required or contractually agreed in an individual case, this shall be deemed to have taken place two (2) weeks after completion of the work, unless the client releases acceptance within this period stating at least one fundamental breach of contract by TÜV Rheinland.
 - 9.3 The client is not entitled to refuse acceptance due to insignificant breach of contract by TÜV Rheinland.
 - 9.4 If acceptance is excluded according to the nature of the work performance of TÜV Rheinland, the completion of the work shall take its place.
 - 9.5 During the Follow-Audit stage, if the client was unable to make use of the time windows provided for within the scope of a certification procedure for auditing performance by TÜV Rheinland and the certificate is therefore to be withdrawn (e.g. performance of surveillance audits), or if the client cancels or postpones a confirmed audit date within two (2) weeks before the agreed date, TÜV Rheinland is entitled to immediately charge a lump-sum compensation of 10% of the order amount (including the cost of preparation for expenses. The client is responsible for the cost of TÜV Rheinland incurred no damage whatsoever or a considerably lower damage than the above lump sum.
 - 9.6 In the case of the client undertaking a suspension of the work, TÜV Rheinland shall also be entitled to charge lump-sum damages in the amount of 10% of the order amount as compensation for expenses if the service is not called within one year after the order has been placed. The client reserves the right to provide the TÜV Rheinland with no damage whatsoever or only a considerably lower damage than the above mentioned lump sum.
10. **Confidentiality**
 - 10.1 For the purpose of these terms and conditions, "confidential information" means all know-how, trade secrets, technical data, drawings, designs, specifications, test reports, expert reports, samples, project documents, pricing and financial information, customer and supplier information, and marketing techniques and materials, tangible or intangible, that are supplied, transferred or otherwise disclosed by one party ("disclosing party") to the other party ("receiving party") in writing or orally, in printed or electronic form. Confidential information is expressly not the data and know-how collected, compiled or otherwise obtained by TÜV Rheinland (non-personal and not proprietary to the client) within the scope of the provision of services by TÜV Rheinland. TÜV Rheinland is entitled to store, use, further develop and pass on the data obtained in connection with the provision of services for the purposes of developing new services, improving services and for the provision of services.
 - 10.2 The disclosing party shall mark all confidential information disclosed in written form as confidential and shall take appropriate measures to ensure that confidential information is not transmitted by e-mail. If confidential information is disclosed orally, the receiving party shall be appropriately informed in advance and the disclosing party shall confirm in writing the confidentiality nature of the information within five working days after disclosure. Where the disclosing party fails to do within the stipulated period, the receiving party shall not take any confidentiality obligations hereunder towards such information. The client shall avoid using any third party platform and/or service (e.g. cloud storage, email, etc.) for the transmission of confidential information to TÜV Rheinland. Instead, the client shall send any confidential information to company email of TÜV Rheinland employees through its company website or by mail. Confidential information shall be destroyed by TÜV Rheinland if there are any leaks or leakages to be caused by the adoption of any unauthorized confidential information sharing methods mentioned above, TÜV Rheinland shall be waived for any confidentiality obligations.
 - 10.3 All confidential information which the disclosing party transmits or otherwise discloses to the receiving party and is created during performance of work by TÜV Rheinland, or which may be used by the receiving party for the purposes of performing the contract, unless expressly otherwise agreed in writing by the disclosing party, shall be confidential information.
 - a) Confidential information which the disclosing party transmits or otherwise discloses to the receiving party and is created during performance of work by TÜV Rheinland, or which may be used by the receiving party for the purposes of performing the contract, unless expressly otherwise agreed in writing by the disclosing party, shall be confidential information.
 - b) Confidential information which the disclosing party transmits or otherwise discloses to the receiving party and is created during performance of work by TÜV Rheinland, or which may be used by the receiving party for the purposes of performing the contract, unless expressly otherwise agreed in writing by the disclosing party, shall be confidential information.

15. **Retention of test material and documentation**
 - 15.1 The test samples submitted by the client to TÜV Rheinland for testing will be scrapped following testing or will be returned to the client at the client's expense. The only exceptions are test samples, which are placed in storage on the basis of statutory regulations or of another agreement with the client.
 - 15.2 Charges apply if the test samples are stored at the premises of TÜV Rheinland. The cost of placing a test sample into storage will be disclosed to the client in the quotation.
 - 15.3 If relevant reports or documents are given to the client to be placed in storage at their premises, the reference samples or documents must be made available to TÜV Rheinland upon request promptly and free of charge. If the client, in response to such a request, is incapable of making available the reference samples and/or documents, any liability claims for material and pecuniary damage resulting from the respective testing and certification that is brought forward by the client against TÜV Rheinland shall be excluded.
 - 15.4 The retention period for the documentation shall be 10 (ten) years after the expiry of the test mark certificates or shall meet the applicable legal requirements for EU/EEC certificates of conformity and GS mark certificates.
 - 15.5 The costs of the handover and dispatch of the test samples for storage on the client's premises are borne by the client. TÜV Rheinland will be liable for the loss of test samples or reference samples from the laboratories or warehouses of TÜV Rheinland only in case of gross negligence.
16. **Termination of the contract**
 - 16.1 Notwithstanding clause 3.3 of the GTBC, TÜV Rheinland and the client are entitled to terminate the contract at its entry into, or in the case of services continued in one contract, each of the combined contracts, or individually or independently of TÜV Rheinland, at any time after the contract has been entered into for (6) months' notice to the end of the contractually agreed term. The notice period shall be shortened to (3) weeks in case of TÜV Rheinland is prevented from performing the services due to loss or suspension of its accreditation or notification.
 - 16.2 For good causes, TÜV Rheinland may consider giving a written notice to the client to terminate the contract if the client fails to pay the relevant service fees for the services provided by TÜV Rheinland due to the termination date of the contract. The address of good causes includes but not limited to the following:
 - a) the client has failed to pay the relevant service fees for the services provided by TÜV Rheinland due to the termination date of the contract.
 - b) the client misuses the certificate or certification mark or uses it in violation of the contract;
 - c) the client has caused several consecutive delays in payment to TÜV Rheinland;
 - d) a substantial deterioration of the financial circumstances of the client occurs and as a result the payment obligations of TÜV Rheinland under the contract are considerably endangered and TÜV Rheinland cannot reasonably be expected to continue to perform the contract;
 - e) in the event of any serious misrepresentation, be it by intentional fraud or grossly negligent
 - f) if TÜV Rheinland, for reasons beyond its control, is temporarily or finally not able or entitled to continue or finalize the performance of the service, e.g. in case of force majeure, government intervention or sanctions or notification;
 - g) if the country/region involved in the whole contract or the specific service project in the contract does not belong to the insurance coverage area of TÜV Rheinland, and TÜV Rheinland is not able to reasonably be expected to continue to perform the contract;
 - h) in the event of a risk or some risks beyond its control to cause or perform the contract.
 In the event of termination with written notice by TÜV Rheinland for good cause, TÜV Rheinland shall be entitled to claim a lump-sum compensation of 15% of the remuneration to be paid under the contract. In this case, the client shall also 15% of the remuneration to be paid under the end of the fixed contract term as lump-sum compensation. The client reserves the right to prove that there is no increase of the time windows for auditing services provision provided by TÜV Rheinland with the scope of a certification procedure and the certificate therefore has to be withdrawn (for example during the performance of monitoring audits). Clause 16.3 applies accordingly.
 - 16.3 Force Majeure
 - 16.3.1 The force majeure means the occurrence of an event or circumstance that prevents or impedes a Party from performing one or more of its contractual obligations under the contract, and it to the extent that that Party proves: (a) that such impediment is beyond its reasonable control; and (b) that it could not reasonably have been foreseen at the time of the conclusion of the contract; and (c) that the effects of the impediment could not reasonably have been avoided or overcome by the affected Party.
 - 16.3.2 In the absence of proof to the contrary, the following events affecting a Party shall be presumed to fulfill conditions (a) and (b) under paragraph 1 of this Clause: (i) war (whether declared or not), insurrection, invasion, armed conflict, general labor disturbance such as boycott, strike and lock-out, rebellion and revolution, military or usurped power, insurrection, act of terrorism, sabotage or piracy; (ii) currency and trade restriction, embargo, sanction; (iii) act of authority whether lawful or unlawful; (iv) compliance with any law or governmental regulation, security of works, regulation, nationalization; (v) plague, epidemic, natural disaster or extreme natural event; (vi) explosion, fire, destruction of equipment, prolonged breakdown of transport, telecommunication, information system or energy; (vii) general labor disturbance such as boycott, strike and lock-out, go-slow, occupation of factories and premises.
 - 16.3.3 The force majeure event shall be presumed to have occurred if the Party is prevented from performing the contract and from any liability in damages or from any other contractual remedy, for breach of contract, from the time at which the impediment causes inability to perform; provided that the notice is given without any delay. If notice thereof is not given within the time limit, the relief is effective from the time at which notice thereof reaches the other Party. Where the effect of the impediment or event involved is temporary, the above consequences shall apply only as long as the impediment or event impedes performance by the affected Party. Where the effect of the impediment or event has the effect of substantially depriving the contracting Parties of what they were reasonably entitled to expect under the contract, either Party has the right to terminate the contract by notification within a reasonable period of time after the occurrence of the event. The Parties expressly agree that the contract may be terminated by either Party if the duration of the impediment exceeds 120 days.
 - 16.4 Hardship
 - 16.4.1 The Parties are bound to perform their contractual duties even if events have rendered performance more onerous than could reasonably have been anticipated at the time of the conclusion of the contract.
 - 16.4.2 Notwithstanding paragraph 1 of this Clause, where a Party proves that: (a) the continued performance of its contractual duties has become excessively onerous due to an event beyond its reasonable control which it could not reasonably have been expected to have taken into account at the time of the conclusion of the contract; and that (b) it could not reasonably have avoided or overcome the event or its consequences, the Parties are bound, within a reasonable time of the invocation of this Clause, to negotiate alternative contractual terms which reasonably allow to overcome the consequences of the event.
 - 16.4.3 Where Clause 16.2 applies, but where the Parties have been unable to agree alternative contractual terms as provided in that paragraph, the Party invoking this Clause is entitled to terminate the contract, but cannot request adaptation by the judge or arbitrator without the agreement of the other Party.
 - 16.5 Partial invalidity, written form, place of jurisdiction and dispute resolution
 - 16.5.1 All amendments and supplements must be in writing in order to be effective. This also applies to amendments and supplements to clause 17.1.
 - 16.5.2 In the event of the partial invalidity of the provisions under these terms and conditions be or become ineffective, the contracting parties shall replace the invalid provision with a legally valid provision that comes closest to the content of the invalid provision.
 - 16.5.3 Unless otherwise stipulated in the contract, the governing law of the contract and these terms and conditions shall be construed following the rules as below:
 - a) TÜV Rheinland in question is legally registered and existing in the People's Republic of China, the contracting parties hereby agree that the contract and these terms and conditions shall be governed by the laws of the People's Republic of China.
